LIST OF HERB PLANTS

Spring 1955

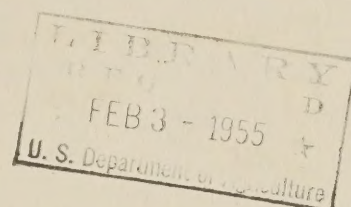

The Devonshire Nursery offers an exceptionally wide variety of culinary and medicinal herb plants, mailed postpaid to any address in the United States. We ship only vigorous, well-rooted plants packaged in paper pots. We suggest that on arrival these plants be transplanted immediately, either outdoors or into larger clay pots if used indoors.

Perennials unless otherwise noted:

3" Pots 6 for \$3.25

Gallon containers _____ each.

(Please include sales tax if in California.)

To insure prompt delivery all orders are mailed special handling at no additional cost. Please note if plants are to be shipped as a gift.

Make your selection from the following list of plants but give alternate choices in case stocks are exhausted. Inquire about plants not listed. Use this list as an order blank and another list will be sent you. No C.O.D. orders.
